**God Is Immanent: God is personable and relatable to those made in His image, while remaining completely distinct and unique from all of His creation. God is not a distant deity (as imagined by the deist) who only sits on His heavenly throne with no interaction, but instead, He is a personal God who created people in His image to be in personal relationship with Him.**

# How Should We Then Live?

Because we have experienced the miracle  
of our salvation from sin and new life  
in Jesus,

And because we have experienced the  
refreshing reviving of our lives  
through the breath of the Holy Spirit,

We must boldly and graciously proclaim  
the gospel and minister to those in  
need – always in the name of the Lord.
